- Bring the correct equipment and work to school

DESBOROUGH SCHOOL

Anti Bullying

No one at Desborough School should ever be made to feel unhappy, undervalued or humiliated. Deliberate unkindness or any action that gives hurt, whether verbal, physical or mental and whether intended or not, constitutes bullying and will not be tolerated between any members of the school community.

If you, a friend, or a fellow pupil is being bullied you should report it to a member of staff immediately.
